

QUINN'S POINTE
BARRHAVEN

THIS PLACE IS MADE FOR YOU

The Quinn family originally hailed from Ireland and were early settlers in Nepean Township, which is known today as Ottawa. Having settled shortly after the Chapman Family, who operated "Chapman's Mill", the Quinns were farmers with approximately 200 acres of land to the North-West of Manotick.

With its history of new beginnings and traditions, Quinn's Pointe in Barrhaven is the perfect community for you and your family to experience Minto's newest designs. Conveniently located near shopping and mature neighbourhoods, but minutes away from scenic countryside, Quinn's Pointe is a place that just feels right.

The point is – this is made for you.
